About us

ACE Microtechnology, Inc. is an Atlanta based professional services firm committed to delivering business solutions for mid to large sized organizations throughout the United States and Outlying Countries.

Our focus is delivering products and services that improve our clients' business operations. ACE has developed specialties in serving the light manufacturing, distribution, specialty retail, and hospitality industries. ACE is a Gold Certified Microsoft Partner as well as a Full Cloud Service Provider (CSP).

Rather than just building technology or implementing software, we deliver real business value through industry knowledge and understanding each client business. We make it our business to know their business. Our solutions include Dynamics GP (Great Plains), Dynamics 365 for Sales, Service and Marketing, CRM Online, Power BI, Office 365, Azure, Dynamics 365 Business Central, along with integrations to many industry specific solutions.
